Dear Sir/Madam, The Swedish Enforcement Agency (Kronofogden) refuses to perform a duty which we paid it for on 17/12/2025 using the lame excuse that we did not pay. A perverse court (Nacka tingsrätt) is partial to this defendant. This defendant sent me an invoice demanding us to insert hyphens in a S.W.I.F.T. message or reason but Banking 365 forbids hyphens. Help! That message and reason are "5569925232 14 273562 25" (i.e. an invoice identifier without its hyphens). "18/12/2025 365IntPayB06686062 minus28.60" was on [HTTPS://WWW.365onLine.com/Digital/servletcontroller](https://www.365online.com/Digital/servletcontroller) for this payment. Is mise le meas, Niocláir Cáril de Ghlostáir
